## ISSUE 30 – HALF TERM FUN

Hello and welcome to the 30<sup>th</sup> edition of the Radlett Review - it's amazing how quickly we have reached this milestone and we hope you enjoy reading the regular updates about the club – if not then let us know or tell us what you would do differently. If you do enjoy reading it then also let us know as it is quite a labour intensive process.

In this issue you'll see more details about the evening with Curtly Ambrose on the 20<sup>th</sup> June. We are restricted on numbers and tickets are selling quickly so please let the ticket office know at [cricket@radlettcc.com](mailto:cricket@radlettcc.com) if you would like to register.

We've also got details of the 3 summer coaching weeks coming up in during the summer holidays. Demand for certain weeks is likely to be high so please speak to Duncan about reserving your child's place.

### Senior Cricket

The last 2 weeks have continued to see our first team play against the best sides in Hertfordshire. Two weeks ago we lost to a very strong Totteridge Millhillians. A side containing 2 current county players demolished our batting line up - missing Kabir Toor and Fraser Crawford attending a wedding, and then easily chased down a low score.

However with Kabir and Fraser back, and Josh De Caires returning from school cricket, we fared much better against Welwyn Garden City the following weekend. Josh hit his maiden century for Radlett and Adil Zareef continued his fine start to the season with a pulsating 70 as we posted a competitive 260 all out. In reply Welwyn showed glimpses of their undoubted ability, but could never quite get ahead of the game and were eventually bowled out for 209 – it was an enthralling contest, had talent from both sides on show and was a great advert for Herts Premier League cricket.

On Sunday, the first team cruised into the regional finals of the National T20 competition. In a game shortened to 14 overs we easily chased down 112 in 11.2 overs with Fraser Crawford top scoring on 52 not out. This game also marked the debut of Ben Moffat. Ben's dad was former first team captain Scott Moffat and as a baby attended our Evening Standard triumph in 2003 (there is a picture somewhere!) Would be great to know who is the last father and son double act to have both played for the first team in a competitive fixture? Any answers will be provided in the next edition!

In a repeat of last season, the 2's and 3s have got off to an indifferent start, both losing all 3 league games played, but there were some green shoots last weekend as both were within a whisker of winning. With 2 runs needed and 2 wickets in hand the 3's thought they were going to get their first win of the season only to see a devastating bowling display from top of the table Rickmansworth take the victory. The 2's posted a good 251 thanks to a solid 61 from Will Wright and charismatic 48 from Neel Malde but Welwyn chased down the target with a couple overs and 3 wickets to spare.

The fours won two weeks ago but last week had to settle for a tie in a thrilling game against Watton on Stone. Craig Steven Jennings's belligerent 92 not out helped us post 267 and whilst for large parts of the game we controlled, a stunning batting display by the Watton number 9 enabled parity from the last ball of the game – which was at about 8:40pm!

### Junior Results

The junior season is now in full swing with games going on most nights. We've had a great start to the year with the U10s Incrediball team 2<sup>nd</sup> in their league, U11s and U12's top of their respective leagues. The U13's are 3<sup>rd</sup> but the second placed team has played 2 more games and the U14's are second having lost on the last ball of the game to top of the table Bushey last Friday night.

The last four weeks of the season are going to be exciting to see how many of our teams we can get into the Quarter Finals and beyond.
